

1979 -

If you were placed in residential or foster care with St Luke's at any time after 1978 you can access your record by writing a letter to the CEO St Luke's Anglicare, PO box 315 Bendigo 3552. In the letter say you would like to see your file and provide your name, any other name you might have been known by then, your date of birth, approximate year(s) you were in care and any other details that will help us insure we are locating the correct record. If you are not sure about what to write you can phone St Luke's on 03 54401100. Once the record is located we will provide you with whatever support you might want to look at it. We will provide you with a copy of the record.
